Sabarimala: Police Mobile App for safe Darshan

Kerala Police has launched mobile apps for the safe pilgrimage of the devotees plying to Sabarimala this festival season. The app provides all necessary features and facilities needed for a hassle-free Darshan to the pilgrims like the present waiting time at Sannidhanam, availability of vehicles parking slots at various parking locations in Pampa, weather conditions at Pampa and Sannidhanam, virtual queue booking, route map to Sabarimala and the like. Information like nearest Hospitals, ATMs, petrol pumps, police Stations, entering missing person's details or missing articles, details like daily rituals, important contact information, DO's & Dont's, security alerts, press release, photo gallery and the like are also available. The general details are also provided in all South Indian languages.

Devotees who plan to visit to Sabarimala can download it from Google Playstore at http://goo.gl/ACPV7C.
